Dear Mr. Wood:

Mr. W. J. Hutchinson, a director of this
Company, who will present this letter, has a matter
which he is desirous of placing before you.

I shall appreciate whatever you may do
for him.

Very truly yours,

Dear Sir:

I take pleasure in enclosing herewith letter of introduction from our friend, Mr. Case, to whom I submitted a question with regard to the design of a medal in which I am interested.

I would appreciate very much the privilege of a few minutes of your time at your convenience, and if it is not asking too much my office will be glad to confirm an appointment by telephone on a date that you have available.

Faithfully yours,

William J. Hutchinson
